HEARTS AND FLORALS -- BOOK 3: A COLORING BOOK FOR ADULTS AND TEENS (PAPERBACK)**DOWNLOAD**

Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Thanks for entering into this adventure in coloring. I am looking forward to sharing my love and passion for artistic coloring with you. I created all of the 30 images in this book by hand using my own personal collection of photos taken by myself as inspiration. I then used various symmetry software tools to complete the overall designs you see here. Although the images are copyrighted, as the buyer of this book, please feel free to copy them for your personal use. If you choose to do so, this will keep the book new and ready for use. Some folks prefer to color on a heavier paper so that the color from marker pens will not bleed through the paper. I ll often color on 80lb paper. Each image is on only one side of the page, the reverse side being left blank. If you d rather color right inside the book, I d recommend using blotter paper or a thin piece of cardboard behind your page, just to protect the next image from any color bleeding through to the next page, especially if you plan to use marker pens for coloring. This will keep all your images clean for you to work on. It is also fine for you to use regular crayons or colored pencils. The designs are suitable from beginning to advanced students. The important thing is . . HAVE FUN! Don t forget to check out my other books in the HEARTS AND FLORALS series. I am dedicated to producing these designs for you. - Marie Kaye.
