EC1 Digital. Paperback. Book Condition: New. Paperback. 376 pages. Dimensions: 8.5in. x 5.5in. x 0.9in. Describing Rohans previous fiction, Iris Murdoch wrote I have now been reading Hallucinations with great pleasure . . . you are indeed a star; acclaimed American novelist James Purdy said He has no equal, today or tomorrow; the New York Press wrote Sometimes Quine succeeds with things you wouldnt think language could do; and Wayne Sterling in the New York Web wrote one of the chic-est, most provocative things we have read in years . . . one of those seminal works that goes on to be accorded the status of a classic. Rohans new novel THE IMAGINATION THIEF takes him to the next level upwards--not only in its writing, but also with the inclusion of a Video-Book and an Audio-Book version of The Imagination Thief inside the e-book itself. The Imagination Thief is about a web of secrets, triggered by the stealing and copying of peoples imaginations and memories. Its about the magic that can be conjured up by images of people, in imagination or on film; the split between beauty and happiness in the world; and the allure of various kinds of power. It celebrates some of the most extreme possibilities of human imagination, personality and language, exploring the darkest and brightest flavours of beauty living in our minds.
