## Dealing with Natural Disasters in Libraries (Paperback)

By -

Taylor Francis Inc, United States, 2008. Paperback. Condition: New. Language: English . Brand New Book. Learn from those who actually dealt with disaster! Regardless of the type of library, natural disasters can have catastrophic effects on its collections and artifacts. Dealing with Natural Disasters in Libraries provides an inside look at different disasters and how diverse types of libraries dealt with the consequences. This useful resource covers a wide range of natural disasters, including flood, fire, water damage, mold, sick building syndrome, and hurricane damage. Librarians from different types of libraries describe personal efforts to cope with real-life cases of disaster, and discuss principles and lessons which can be used to plan for--and better respond to--future catastrophic occurrences. Every library should have a disaster plan in place. Dealing with Natural Disasters in Libraries provides realistic guidance on how to best prepare for catastrophic damage and loss, and practical suggestions on how to best respond once disaster does strike. These authors use their unique perspectives on having lived through a disaster to provide a close examination of lessons learned. This crucial book includes a selected bibliography and a series of case studies that illustrate what other librarians did to repair and...
