

101 Different Ways to Build Homes Pens for Your Animals: A Complete Step-by-Step Guide

By Randy LaTour

Atlantic Publishing Co, United States, 2015. Paperback. Book Condition: New. 2nd ed.. 230 x 155 mm. Language: English . Brand New Book. Animals need their own space. This is not more apparent to anyone than those who own multiple animals. When not given their own private space, many animals, especially dogs and livestock will become overly territorial, marking space, and fighting with other animals or even humans for a place to call their own. Yet many owners put off the need for homes for their animals because they think it might be too hard or time consuming. That could not be further from the truth. Written for every pet and livestock owner who has sighed or groaned at the prospect of building a home for their animals, this book demonstrates 101 different ways you can build a viable home for your animals while cutting costs and saving time. You will learn how to create homes from scratch for several different animals. First, you will learn how to assess the needs of your animals according to type and personality, from indoor domesticated pets to outdoor livestock. You will learn what features these homes need to match your animals according to size,...
