Reviews

It is just one of the most popular ebooks. It is written in simple words and not confusing. I am just happy to tell you that this is actually the finest ebook I have ever read in my very own existence and may be the greatest ebook for all time.

Anchor Recordings Limited, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Common sense is not all that common, especially in its sanctified form. But the letter of James to the dispersed Messianic believers of his day is full of it. Sceptical about his half-brother Jesus before his death, he became his devoted slave after his resurrection. No wonder he led the Jerusalem church through its major crisis. Though he wrote in excellent Greek, he thought like a Hebrew sage, in circular rather than linear fashion (as in the book of Proverbs) returning repeatedly to such basic topics as wealth, prayer and speech. His favourite words are the verb do and the noun doer . So faith is something to be done, not just thought or felt. Without being acted upon, it is dead. It cannot save. Like love, it must work . This emphasis on faith-works is not contradictory to Paul s censure on law-works but a vital and complementary balance to the New Testament concept of faith.
