

Computer architectural renderings produced Started(Chinese Edition)

By LIU YI XIN

paperback. Condition: New. Language:Chinese.Pub Date: 2005-04-01 Pages: 212 Publisher: China Building Materials Industry Press computer architectural rendering is a computer visualization techniques. Visualization technology is actually not a new thing. when we conceived during the design. often by means of hand-drawn sketches. models. etc. to express a concept. idea or design. so that we did not see the visual effect of the completion of the building. We continue to improve our visual design work. But the traditional .
