Lulu.com, United Kingdom, 2015. Paperback. Book Condition: New. 210 x 148 mm. Language: English . Brand New Book ***** Print on Demand *****.A look at the questions and objections concerning the great Gospel of God, and the ramifications of not believing it, which its enemies have made. Not all the enemies of the great Gospel of God, the only Gospel I might add, which Scripture calls the power of God unto salvation (Rom. 1:16), overtly oppose the doctrines it contains. The opposition by those of the Arminian persuasion, who do overtly oppose the great Gospel doctrines which attribute all of salvation to the God of Grace leaving no room for man to boast, are not what we shall be discussing in this booklet. The kind of opposition we will be addressing comes from those people who proudly call themselves Calvinists, or Reformed Calvinists to be precise. These Calvinists claim to believe the doctrines we teach as the very doctrines of the Gospel taught in the pages of the Bible, but they draw the line when it comes to judging saved and lost by the Gospel, by the ramifications that are part and parcel of those doctrines.
