Brand New Book ***** Print on Demand *****.Excerpt from The Mosaical Account of Creation: From a Strictly Scientific Standpoint During the author s Geological researches, one point after another aroused a suspicion in his mind that the Cosmogony of Moses had not been fairly and squarely dealt with by his scientific interpreters. He therefore determined to investigate the matter from a purely scientific standpoint, giving Moses all that is his due, upon his clearly expressed claims, and the science of Geology all that is clearly due to the discoveries made by it, and the logical deductions following those discoveries. The following rules of interpretation were decided upon, which certainly are stringent enough to bring out the whole value of the inspiration of Moses. Rule 1. - Moses is entitled to a plain common sense, but logical interpretation, of his clearly expressed claims, as found in the 1st Chapter of Genesis. Rule 2. - His claims as to successive periods in numerical order must not be changed. Rule 3. - Each successive period must be accepted as a unit and not divided up, with the divisions thereof, located in disconnected geological ages entirely different. This much is due Moses, if truly inspired, his account will stand the strain of rigid investigation, just as it is written without the aid of injudicious friends in reducing it to detached fragments and plastering it over the geological ages indiscriminately. Rule 4. - Wherever the clearly expressed claims of Moses coincide with the thoroughly established discoveries for any age or period of Geology there in that period or age the day or period of Moses must be located. Rule 5. - No such thing as forcing a balance can...
