Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Excerpt from English for New Americans The purpose of the authors has been to prepare lessons which shall meet the difficulties mentioned above. The vocabulary of Parts I, II, and III is sufficient to allow a reasonable facility of expression, yet the number of words is so small that confusion in the pupil's mind is avoided. After mastering this basal vocabulary through the constant repetition provided in these lessons, the pupil is able to understand and to acquire new words with remarkable rapidity. With this in mind additional words and supplementary lessons are provided in Part IV. At the end of the book the English vocabulary used in the lessons has been translated into Armenian, Greek, Italian, Lithuanian, Polish, Russian, Spanish, Swedish, Syrian (arabic), and Yiddish. Teachers will find this particularly helpful in giving instruction to those who can read their native language. The vocabularies should also be of much assistance to pupils when studying without the aid of an instructor.
