Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Excerpt from The Spiritual Teacher Looking down from the serene heights of their sublime abode, the spirits of the Sixth Circle desire to present to the inhabitants of the earth a revelation of truths and principles which are adapted to the present state of human development. They desire to speak to the world in the tones of kindness, and to express the thoughts which they have gathered in their researches into the mysteries of the Universe. The object of the present Lecture, which will be exceedingly brief, is to unfold an analysis of the designs which spirits have in view in their intercourse with the children of men. It should be understood that these designs do not comprehend the selfish gratification of any desire on their part, which has not a connection with the interest and welfare of those whom they address. The spirits have no low ambition to gratify in the presentation of heavenly truths they have no selfish motives by which it is possible for them to be governed in the labor of human enlightenment, and they have no power to stoop from the height of their sublime Wisdom, to administer to the sensual passions and tendencies of the people. Therefore they will speak of the realities which need to be revealed, for a purpose which is high and holy as their Own blissful state.
