## Take This Man: A Memoir

By Skyhorse, Brando

Simon & Schuster, 2014. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: "Top this: Skyhorse grew up poor in a claustrophobic 1980s Echo Park home with a Chicana mother who pretended they were Native American, a bisexual grandmother who pretended she was straight, and five no-account stepfathers who each got out when the getting was no longer good. Skyhorse really is a star, transcending a wack-ball family and a then-sketchy neighborhood to become a gifted writer. Skyhorse's last page works so well, it gilds the rest of the book in a sweet, retroactive glow. Sometimes a book catches you in a weak moment, so I went back to read the scene a few weeks later, just to make sure. Knowing what was coming made it only better.".

### Reviews

*I just began reading this pdf. It is actually written in straightforward words instead of hard to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.*
