Alphascript Publishing Dez 2009, 2009. Taschenbuch. Condition: Neu. Neuware - The Hellfire Club is a fictional society within the Marvel Comics Universe that often comes into confrontation with the mutant superhero team, the X-Men. Although the Club appears to merely be an international social club for wealthy elites, its clandestine Inner Circle seeks to influence world events to their own agenda. Created by the Uncanny X-Men writer/artist duo of Chris Claremont and John Byrne, they were heavily influenced by a 1966 episode of the British television series The Avengers ('A Touch of Brimstone'). The name 'Hellfire Club' in fact has a historical precedent, having been a popular name for gentlemen's clubs in the 1700s. The Hellfire Club as such adheres to an 18th century dress code. Additionally, the hierarchy of the Inner Circle is modeled on the pieces of a chess set, with Black and White sets of Kings, Queens, Bishops and Rooks. The Hellfire Club and its Inner Circle were introduced in the Dark Phoenix Saga, attempting to subvert the X-Men's Jean Grey. This incarnation, composed most notably of Black King Sebastian Shaw and White Queen Emma Frost, would remain prominent for many years. 148 pp. Englisch.
