

The Big Challenge Adult Coloring Book Small Reptiles (Paperback)

By Stephanie Tuyens

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. All reptiles are cold-blooded and their skin is covered with scales as opposed to feathers or fur. They range in size from tiny geckos measuring less than 2 cm in length to saltwater crocodiles that can reach 5.5 m in length and weigh more than 1 000 kg. Most reptile species lay eggs (oviparous); the embryo develops inside the egg and outside the mother s body, without a larval stage.

Reviews

The publication is simple in go through preferable to fully grasp. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.
