THE ORGANIC GARDENING HANDBOOK (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. This book opens the door of organic gardening to newcomers, while reminding old hands of the value, and desirability, of organic principles and practices. Peter Dunn has pulled together all the many strands that organic gardeners rely on and produced a book to instill enthusiasm and energy into everyone who reads it. Many people are hopelessly confused about organic gardening. They want to garden in an environmentally friendly way but don't know how to go about it. The odd snippet of information only increases their confusion. Here, the basic facts are summarized in a simple and direct way. Each aspect of the subject is dealt with on a separate page, which makes it easy to find the answer to a problem. This book will enable the reader to make a start at gardening using natural materials.
