

How to Draw What You See (35th Anniversary edition)

By Rudy De Reyna

Watson-Guption Publications. Paperback. Book Condition: new. BRAND NEW, How to Draw What You See (35th Anniversary edition), Rudy De Reyna, Watson-Guption's all-time best-selling drawing book. A best-seller for 35 years! This is a timeless classic that has taught generations of artists - and will teach generations more. When it was originally published in 1970, "How to Draw What You See" zoomed to the top of Watson-Guption's best-seller list - and it has remained there ever since. "I believe that you must be able to draw things as you see them - realistically," wrote Rudy de Reyna in his introduction. Today, generations of artists have learned to draw what they see, to truly capture the world around them, using de Reyna's methods. "How to Draw What You See" shows artists how to recognize the basic shape of an object - cube, cylinder, cone, or sphere - and use that shape to draw the object, no matter how much detail it contains.

Reviews

The best book i actually go through. It can be full of wisdom and knowledge Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- Prof. Greg Herzog

A very awesome publication with perfect and lucid information. It is probably the most awesome book i have read. You may like how the author publish this pdf.
