

Trouble

By Linda Howard

Harlequin (UK), United Kingdom, 2010. Paperback. Book Condition: New. Reissue. 168 x 104 mm. Language: English . Brand New Book. Two timeless tales of romantic suspense from award-winning New York Times and USA TODAY bestselling author Linda Howard. *Midnight Rainbow* Was Jane Hamilton Greer just a wealthy socialite in over her head or was she really engaged in espionage that could compromise U.S. interests for years to come? The only certainty was that she was being held captive, and special agent Grant Sullivan was the man to rescue her. Finding her was easy; getting her out was something else. But in the time they spent together, questions of guilt and innocence began to fade against the undeniable attraction between this fiery couple. *Diamond Bay* Rachel Jones wasn't looking for trouble, much less a man, but then she found Kell Sabin. He was washed up on her beach, barely alive. Someone had shot him twice. Her sixth sense told her that she was his only hope. With him lying unconscious before her, Rachel had to decide his future, as well as her own.

Reviews

It is a single of the best pdf. Better than never, though I am quite late in starting to read this one. I realized this ebook from my dad and I encouraged this publication to understand.

Complete manual! It's such a great study. It really is written in straightforward phrases rather than hard to understand. You are going to like the way the article writer created this publication.
