BETWEEN DARKNESS AND LIGHT: AN ENVIRO THRILLER

BPS Books, Canada, 2012. Paperback. Book Condition: New. 211 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****. A hair-raising, page-turning thriller . Between Darkness and Light is a dire warning about our ecological present and a warm, human story of hope for our ecological future. Will Connor, a much-decorated former fireman and now the Fire Chief of CanPetroleum, has been tasked with investigating a mysterious chain of explosions. The more he probes, the more he fears there is no solution to the chaos that is growing across his city of Edmonton #8212 and perhaps the world. With fossil fuels becoming increasingly unstable, police and emergency personnel can no longer use their vehicles. Civilized society comes to a crashing halt in the face of lawlessness, violence, starvation, and environmental ruin. Now Will s primary concern is more personal. Will the Connor family starve and freeze to death in the cold Alberta weather? Desperate for a way out, Will teams up with a terrorist for one last chance at survival for his family and a few lost souls. A portion of the sales of this book will be donated to a Rotary Club project the author is involved in to educate girls in Uganda and give them a brighter future. Patricia McConkey has blended her colorful imagination and expertise in recycling and the environment to write this fast-paced, action-packed enviro thriller. Her business, Wastaway Services Canada, promotes technology that converts municipal waste into a clean fuel, reducing the need for fossil fuels and preventing many of the harmful effects of landfills. McConkey earned a Bachelor of Arts degree from Carleton University in Ottawa and a Master s of Business Administration degree from Queen s University in Kingston. She applies her creativity and passion to many areas,...
