Duke University Press, United States, 1992. Paperback. Condition: New. New. Language: English . Brand New Book. On the night of November 9, 1989, an electrified world watched as the Berlin Wall came down. Communism was dead, the Cold War was over, and freedom was on the rise--or so it seemed. We Were the People tells the story behind this momentous event. In an extraordinary series of interviews, the key actors in the drama that transformed East Germany speak for themselves, describing what they did, what happened and why, and what it has meant to them. The result is a powerful firsthand account of a rare historical moment, one that reverberates far beyond the toppled wall that once divided Germany and the world. The drama We Were the People recreates is remarkable for its richness and complexity. Here are citizens organizing despite threats of bloody crackdowns; party functionaries desperately trying to survive as time-honored political prerogatives crumble beneath their feet; an oppressed people discovering the possibilities of power and freedom, but also the sobering strangeness of new political realities. With their success, East Germans encountered the overpowering might of their Western neighbor--and stand perplexed before the onslaught of real estate agents, glossy consumer ads, political professionalism--and the discovery that a lifetime of social experience has suddenly lost all usable context. They became, in the words of one participant, a people without biography. Over all the recent events and unlikely turns recounted here, one thing remains paramount: the sweep of the initial democratic conception that animated the East German revolution. We Were the People brings this movement to life in all its drama and detail, and vividly recovers a historic moment that altered forever the shape of modern Europe. Some Voices of the People Barbel Bohley/ Mother of the Revolution Rainer Eppelmann/ Protestant Pastor Klaus Kaden/...
