

Bunk 9's Guide to Growing Up: Secrets, Tips, and Expert Advice on the Good, the Bad, and the Awkward (Paperback)

By Adah Nuchi

Workman Publishing, United States, 2018. Paperback. Condition: New. Language: English . Brand New Book. Welcome to Bunk 9 - and a new girl-powered puberty book girls will want to read. Based on the lively conceit that it's written by nine older girls at a fictional summer camp who share their collective been-there, done-that experiences, Bunk 9's Guide to Growing Up is a puberty book with a twist, an entertaining, up-to-date, supportive guide that covers the head-to-toe changes that young girls go through as they grow up. Since it is written in the voices of different girls, reading it is like listening to your best friend or older sister giving no-nonsense information, advice, and tips on menstruation, breasts, hygiene, health and nutrition, boys, and all the complicated feelings that go along with these changes. Filled with call outs, doodles, and margin notes, it's a book that's gentle enough for a third grader and thorough enough for a middle school, and it's vetted by a pediatrician.
