By Production and Marketing Administration

Forgotten Books, 2017. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Marketing Activities, Vol. 12: July 1949 With such a centralized operation, it has been possible to carry on research into problems of egg-quality conservation. Accurately kept records of causes of rejection from the candling line have been the basis for a large-scale program of producer education in how to reduce losses caused by breakage and deteriorated quality. Special problems of individual producers can be pinpointed because each case of eggs carries the producer's lot number, and this identification makes it possible for the various auctions field men to go back to the source of trouble. Because the same lot numbers are also purchased by many other auction bidders, this service of Certified is helping to improve the quality of the egg pack for all who buy over the auctions.
