MARGINAL GROUPS AND MAINSTREAM AMERICAN CULTURE (PAPERBACK)

[DOWNLOAD](#)

University Press of Kansas, United States, 2000. Paperback. Condition: New. New. Language: English . Brand New Book. They are often portrayed as outsiders: ethnic minorities, the poor, the disabled, and so many others--all living on the margins of mainstream society. Countless previous studies have focused on their pain and powerlessness, but that has done little more than sustain our preconceptions of marginalized groups. Most accounts of marginalization approach the subject from a distance and tend to overemphasize the victimization of outsiders. Taking a more intimate approach, this book reveals the personal, moral, and social implications of marginalization by drawing upon the actual experiences of such individuals. Multidisciplinary and multicultural, *Identity on the Margin* addresses marginalization at a variety of social levels and within many different social phenomena, going beyond familiar cases dealing with race, ethnicity, and gender to examine such outsiders as renegade children, conservative Christians, and the physically and mentally disabled. And because women are especially subject to the effects of marginalization, feminist concerns and the marginalization of sexual practices provide a common denominator for many of the essays. From problems posed by complimentary racism to the status of gays in Tony Blair's England, from the struggle of Native Americans to preserve their identities to the singular problems of single mothers, *Identity on the Margin* takes in a broad spectrum of cases to provide theoretical analysis and ethical criticism of the mechanisms of identity formation at the edges of society. In all of the cases, the authors demonstrate the need for theory that initiates social change by considering the ethical implications of marginalization and criticizing its harmful effects. Bringing together accounts of marginalization from many different disciplines and perspectives, this collection addresses a broad audience in the humanities and social sciences. It offers a basis for enhancing our...
