Page Publishing, Inc., United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Julia Wholeheart is your typical Midwest, all-American girl next door. Julia enjoyed being a carefree teenager and is now looking forward to the next chapter in her life: becoming a college student. One day, in one of her college interviews, her life is changed and she does not know if it is for the better! Julia has never had time for a real boyfriend, only one for about two weeks. She has never experienced the feeling of falling in love or being loved, until she meets Detective Redmond O Connor. That is the day her life spiraled towards a completely different path. With feelings and changes she cannot explain, everything she thought she was is not and everything she believed was fantasy is now real. She is the center of it all, and everyone is keeping secrets from her. Through this change she becomes a powerful witch that no one has ever seen before. A witch, what are witches even real? Julia thought to herself. Detective Redmond O Connor has been patiently looking for his eternal mate for centuries. Could it truly be that she is right here in Coven Hurst, Ohio? After feeling her close he went running down the hall of the psychology department only to be met by the dean of admissions, explaining a special student he wanted him to meet. He did not need an introduction, however, because he knew who she was before he turned around. Is the one he has been searching for Julia.? Will they come together or will the secrets of who she is to become keep them apart?.
