## CUSTOMER EQUITY: BUILDING AND MANAGING RELATIONSHIPS AS VALUABLE ASSETS (HARDBACK)

[DOWNLOAD PDF](#)

Harvard Business Review Press, United States, 2001. Hardback. Condition: New. Language: English . Brand New Book. What s a customer worth? The company that can answer this question precisely is the company with an edge in the customer-based, technology- and information-intensive economy of today. But how can an asset as intangible as customer value be measured? This timely book provides a solution: a fully developed, highly practical new marketing system for measuring and managing customer value as a financial asset - a system uniquely suited to today s rapidly changing, increasingly digital marketplace. How has the management - or mismanagement - of customer assets played into the successes, failures, at-risk status, or Cinderella stories of GM, Amazon, AOL Time Warner, FedEx, the U.S. Armed Forces, Oprah, , and Harley Davidson? Drawing on these and other examples, the authors explain the strategies and tactics that make customer equity management work. They outline customer equity s three core strategies - customer acquisition, customer retention, and add-on selling - and the balance among them, and explain how the customer life cycle affects strategy and the marketing mix. Detailed, how-to chapters follow, clearly mapping out methods and practices for organizational restructuring, customer equity measurement, customer equity accounting, database management, and data analysis. Along with strategic and tactical guidance, Customer Equity provides precise metrics for evaluating a business more effectively and improving performance - the activity-based management of a company s marketplace. The authors present a new framework for structuring go-to-market activities that links those activities to useful metrics and allows better-informed marketing decisions. Marking a decisive move away from the traditional focus on mass marketing and brand equity, Customer Equity equips companies with the knowledge to manage customer portfolios across segments and over time, and gives marketers the means to lengthen customer life cycles, tailor the...
