Golden Era Books, 2010. Paperback. Book Condition: New. 211 x 135 mm. Language: English . Brand New Book. Throughout history people have sensed a special energy at sacred places and tried to draw on this natural power. Many great religious leaders had mystical experiences in the desert or mountains and told the world of their revelations and prophecies. People responded to sacred places by building churches or temples or medicine wheels, and they attracted pilgrimages and vision quests. Many believe that all sacred sites, from the most famous such as Stonehenge and Sedona to lesser-known spots, form a worldwide web of light and communicate on some level. These energy hubs could potentially serve as acupuncture points on the body of Mother Earth, which is in dire need of healing. Sacred places on the network of light stand ready to receive divinely inspired wisdom, a taste of the wonderful things to come as humanity moves toward a global shift in consciousness. A deep link between spirit and nature once brought harmony and balance, yet today it seems that we have lost our way, squandered our connection to Mother Nature and to the "old ways" of magic and mysticism. This power can be retrieved at sacred sites, where we can experience Zero or Nothingness, Oneness, and the ecstasy of sexual Orgasms. This is The Power of O.
