## CATALYST: A TALE OF THE BARQUE CATS

BRILLIANCE AUDIO, 2015. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. Since the early days of interstellar travel, Barque Cats have been highly prized crew members, responsible for keeping spacecraft free of vermin, for alerting human crews to potential environmental hazards, and for acting as morale officers. Even among Barque Cats, Chessie is something special. Her pedigree, skills, and intelligence, as well as the close rapport she has with her human, Janina, make her the most valuable crew member aboard the Molly Daise. And the litter of kittens in her belly only adds to her value. Then Chessie is kidnapped er, catnapped from Dr. Jared Vlast's vet clinic at Hood Station. And Chessie's newborn kittens turn out to be even more extraordinary than their mother. For while Chessie's connection to Janina is close and intuitive, the bond that the kitten Chester forms with the kidnapper's son, Jubal, is downright telepathic. And when Chester is sent into space to learn his trade, neither he nor Jubal will rest until they're reunited. But the announcement of a widespread epidemic affecting livestock on numerous planets throws the future into doubt. Suddenly the galactic government announces a plan to impound and possibly destroy all exposed animals. Not even the Barque Cats will be spared. With the clock racing against them, Janina, Jubal, Dr. Vlast, and a handful of very special kittens will join to save the Barque Cats, other animals, and quite possibly the universe as they know it from total destruction.
