Filesize: 2.18 MB

Reviews

The ebook is great and fantastic. We have read and i also am sure that i am going to likely to go through once again again down the road. Once you begin to read the book, it is extremely difficult to leave it before concluding.
(Erica Turcotte)

A MADMAN DREAMS OF TURING MACHINES (PAPERBACK)

Random House USA Inc, United States, 2007. Paperback. Condition: New. Reprint. Language: English . Brand New Book. Kurt Godel s Incompleteness Theorems sent shivers through Vienna s intellectual circles and directly challenged Ludwig Wittgenstein s dominant philosophy. Alan Turing s mathematical genius helped him break the Nazi Enigma Code during WWII. Though they never met, their lives strangely mirrored one another--both were brilliant, and both met with tragic ends. Here, a mysterious narrator intertwines these parallel lives into a double helix of genius and anguish, wonderfully capturing not only two radiant, fragile minds but also the zeitgeist of the era.
