A gorgeous, deeply felt debut novel about obsession, loneliness, and the surprising ways we find to connect with each other. Henry Jett s life is slowly going nowhere. His girlfriend recently left, and his job in a local garage is uninspiring, considering that he doesn t particularly like cars. Henry finds solace in his eccentric passion, rebuilding the skeletons of birds and animals. Meanwhile Henry s brother, Dan, is disappearing into an obsession of his own. Without Dan to rely on, Henry begins to engage in new ways with the people around him in his Prairie city: the 80-year-old Russian emigre who delights in telling stories; the very pregnant former employee of his mother s; the lawyer who may or may not be his brother s ex-girlfriend. Gradually they demand that Henry become a participant in his own story, and Henry must forge his own way of living in the world. In *The Afterlife of Birds*, award-winning poet Elizabeth Philips draws together unforgettable characters who subtly, powerfully demonstrate the beauty of ordinary lives and finding our place in the world.
