

Heaven and Hound - Rise of the Alpha (Paperback)

Filesize: 3.98 MB

Reviews

Good e-book and beneficial one. I was able to comprehend everything out of this published e pdf. Once you begin to read the book, it is extremely difficult to leave it before concluding.

HEAVEN AND HOUND - RISE OF THE ALPHA (PAPERBACK)

Indicated Publications Promotions, United States, 2014. Paperback. Condition: New. Denis Martynets (illustrator). Language: English . Brand New Book ***** Print on Demand *****.Dog-fearer extraordinaire, Barney Pedrotter is the world's most unlikely Alpha. To him, mutts are the worst. Protective. Snappy. Love the taste of Barney's pants. Proven when the millionth Pomeranian attacks him on the way to school, sparking childhood fears. The whole thing-him crying and leaping onto his best mate's back, and trying to defend his pants with a newspaper-is caught on video and goes viral. Thanks to the local newspaper twisting the facts and branding him a dog beater, he loses his vacation position at LC Comics. Now he's left with three days to find another job, or else flunk ninth grade. Trouble is, the only available position is training Mr. Lucius cursed and disobedient hellhounds to track his missing father. No matter how scared Barney is, he'd rather face the fleabags than fail school. Except working with Mr. Lucius drags Barney into a millennia-old family feud, where Louis jealous, scheming sister, Gaybreeal, tries every little dirty trick to sabotage them and spark a war between Heaven and Earth. Barney must summon the Alpha within to command the hounds, or end up on their menu.
