### ***Reviews***

*Without doubt, this is actually the best job by any publisher. It is written in basic phrases instead of difficult to understand. You will like the way the author publishes this publication.*

## LIRE LES PRESOCRATIQUES

PUF, 2012. Couverture souple. Book Condition: Neuf. Sous la direction de Luc Brisson, Arnaud Macé, Anne-Laure Therme. Collection Quadridge Manuels. 232 pages. Présentation de l'éditeur : "Introduction à la lecture de ces monuments engloutis des origines de la philosophie occidentale, le présent volume interroge le concept de « présocratique » forgé par Hermann Diels au début du XXe siècle pour s'en distancer et adopter de nouvelles perspectives. Il situe ainsi chaque uvre dans le contexte social et culturel de son apparition : celui d'une Grèce archaïque où domine le discours poétique, vecteur d'un savoir commun sur les dieux, le monde et les hommes, où la curiosité savante est portée par une culture technique omniprésente et où sépanouit le genre littéraire de l'« enquête ». Tel est le premier visage que présente en Grèce ancienne la spéculation « philosophique » : celui d'une enquête savante sur la nature de toutes choses, soumettant à un examen rationnel l'ensemble des éléments évoqués par les mythes, de la genèse de l'univers à l'origine des hommes et à la formation de leurs cités."
