SPANISH SHORT STORIES FOR BEGINNERS: LEARN SPANISH BY READING (PAPERBACK)**DOWNLOAD**

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Spanish is a wonderful language, however it can be very difficult for persons just beginning to learn. Spanish Stories for Beginners is aimed at making this process easier. The stories are written in a fast pace but simple manner that is easy to follow. Each story is loaded with new vocabularies which are highlighted within the passage and are a part of a list at the end of each story. The stories have also been divided into short passages which facilitates less distractions. The book focuses on the following topics: Myself -how to introduce yourself;give name age and address -introduce another person -say what you like -describe yourself and other persons physically Professions -You will learn how to say what you want to be come in the future -how to say different professions; teacher, athlete, doctor, nurse, farmer, engineer, librarian Weather -You will learn how to describe the weather. -You will say phrases such as the weather s good/bad, it is raining, it is cold or it is sunny exploring many exciting places. -You will learn how to say places like airport, house, school, zoo, beach, library, and restaurant. -You will also learn how to identify articles in the classroom such as desk, chair, pencils, pens, rubbers etc. You are introduced to foods, fruits and drink. You are given an extensive vocabulary for these areas -You will also learn how to say you are hungry -Modes of transportation are also introduced in the book Adjectives such as colors are other topics which are brought out in the book -The vocabulary for animals is extensively provided throughout the book. These are divided into farm animals and animals from the forest. -Greetings...
