WHY SMART KIDS WORRY (PAPERBACK)

Sourcebooks, Inc, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book. Why does my child seem to worry so much? Being the parent of a smart child is great--until your son or daughter starts asking whether global warming is real, if you are going to die, and what will happen if they don t get into college. Kids who are advanced intellectually often let their imaginations ruin wild and experience fears beyond their years. So what can you do to help? In *Why Smart Kids Worry*, Allison Edwards guides you through the mental and emotional process of where your child s fears come from and why they are so hard to move past. Edwards focuses on how to parent a child who is both smart and anxious and brings her years of experience as a therapist to give you the answers to questions such as: -How do smart kids think differently? -Should I let my child watch the nightly news on TV? -How do I answer questions about terrorists, hurricanes, and other scary subjects? Edwards s fifteen specially designed tools for helping smart kids manage their fears will help you and your child work together to help him or her to become more relaxed and worry-free.
