## Hobbs Food Poisoning and Food Hygiene (Paperback)

By Jim McLauchlin, Christine Little, Betty C. Hobbs

Taylor Francis Ltd, United Kingdom, 2007. Paperback. Condition: New. 7th Revised edition. Language: English . Brand New Book. This unique textbook takes a holistic approach to food poisoning and food hygiene, explaining in clear and non-technical language the causes of food poisoning with practical examples from real-life outbreaks. Now in its seventh edition, the book retains its longstanding clarity, while being completely revised and updated by a new team of editors and contributing authors. Hobbs Food Poisoning and Food Hygiene gives the reader a practical and general introduction to the relevant micro-organisms that affect food in relation to food safety and foodborne illness. Emphasis is given to the main aspects of hygiene necessary for the production, preparation, sale and service of safe food. Information about the behaviour of microbiological agents in various foods, their ability to produce toxins and the means by which harmful organisms reach food is applied to manufacture and retail procedures, and to equipment and kitchen design. For the first time the book includes coverage of waterborne infections and sewage and, through judicious selection of case examples, indicates the global nature of food and water hygiene today. The contribution of different professional groups to the control of...
