Createspace Independent Publishing Platform, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Meet Elvis Sunny Bear! Elvis Sunny Bear is on his way to the seashore to visit his close friend, Wally the Whale. With all of the problems he runs into on the way, will he make it there? Tag along with Elvis on his latest adventure. About This Book: We feel that developmental learning in children and adolescents is timeless, and that the skills needed for that development is best absorbed through stories. With the days of stories being told around the camp fire and of tribal or large family learning sets being long since past; the necessity of teaching these learning sets and ancestral stories is more important than ever. However, the necessity of teaching learning sets is more important than ever. In addition to being entertaining, this title and the other stories in the Elvis Sunny Bear series from Ted E. Bear Press are designed specifically to provide a methodology for parents, teachers and children to address different, and sometimes uncomfortable, topics in a way that is respectful and informational without having to be too scientific or direct - yet still provide needed resources and education.
