paperback. Book Condition: New. Ship out in 2 business day, And Fast shipping, Free Tracking number will be provided after the shipment. Pages Number: 116 Publisher: China Children Publishing House Pub. Date :2010-2-1. The implementation of new curriculum standards brought new teaching philosophy of reform: the care and training of students from the past or the simple transfer of knowledge ability to train and gradually the cultivation of interest in learning. cooperation. awareness and innovative spirit of the formation of multiple target extension. As the main body of learning activities - students. to fully tap their potential. to assert personality of the individual differences of respect and concern has been raised to unprecedented heights. To meet the needs of today's teaching and learning of this. we prepared a set of primary school classes to improve series. designed for those who are more moderate and middle school students who have spare capacity to open a second learning classroom. and they provide a suitable development of learning material. on the one hand expect to hone their learning will help them build confidence in learning. on the other hand expect them to feel the joy of learning and experience success. The series does not rigidly adhere to the preparation of different versions of the materials. but in the study on the basis of the new program. understand the new curriculum standards. with a new way of teaching philosophy and style of presentation and the kinds of questions designed to integrate. compared with similar books. in and the from materials. wider than teaching. higher than the materials feature at the same time. pay more attention to reflect the following characteristics: First. follow the standard course content reflects the teaching of each book as much as possible in the various versions of teaching materials on the...
