

## Specific Medication and Specific Medicines (Classic Reprint)

Filesize: 7.4 MB

### **Reviews**

*The publication is great and fantastic. It can be filled with knowledge and wisdom You wont truly feel monotony at at any moment of your time (that's what catalogues are for about if you ask me).*  
**(Dr. Marcos Grimes III)**

## SPECIFIC MEDICATION AND SPECIFIC MEDICINES (CLASSIC REPRINT)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Specific Medication and Specific Medicines For some hundred years or more, there has been a pretty uniform agreement in the statement, so frequently repeated - there are no specifics in medicine. To have a good reputation for professional acquirements and standing, this was a fundamental article of belief. Whatever might be the certainty in Anatomy, Physiology, Chemistry, and the arts of the Obstetrician and Surgeon, it was essential to believe that the practice of medicine was a great uncertainty. That it was a great uncertainty, as commonly followed, we are well assured. The records of disease, the mortality tables, and the resultant lesions from the mal-administration of medicines, abundantly testify to this. This stands confessed in the writings of the most prominent men in the medical profession to-day, who unite in deprecating the use of the older treatment of disease, and the greater safety of the expectant plan - which is really diet and rest. Must we give up medicine entirely? Are there no agencies opposed to processes of disease, that we can employ with certainty? These are the questions of the day, and in answering them, we will decide either for no medicine, or for specific medication. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy.
