Many of today s North American church planters are migrating in from the suburbs, smaller cities, and rural towns as they are confronted with a culture, lifestyle, and built environment that is more foreign than they thought . or would admit. What do church planters need to know about the city in order to be effective? Exegeting the City was written for you, the church planter, to expand your understanding of the city. This will aid you in the process of contextualization as you discern how to embody, teach, and proclaim the Gospel in the city. Besides, your city needs you to do this.
