Brand New Book ***** Print on Demand *****.Because children are learning about the world of imagination and are more than eager to engage in all things imaginary, the physical activity of coloring imaginary princesses in a coloring book brings a sense of reality to the activity. Within the visual outlines of a princess lay the endless possibilities of that child's imagination that can be created on very real paper. For a child, focus and attention become the natural result of engaging the part of the brain responsible for creative thought.
