If You Don t Own a Circus, You Shouldn t Be Hiring Clowns! walks the small business owner or manager through the entire employment cycle, including: Understanding whether you re ready to bring on employees. Writing job descriptions. Posting employment ads. Reviewing resumes and interviewing candidates. Creating offer letters. Conducting background checks. Training new employees. Keeping proper employment documents. Retaining good employees. Evaluating the performance of your workers. Surveying employees and customers. Understanding employment laws. Handing out discipline. Firing employees who don t meet your company s needs. Written as a layman s guide to human resources, this book provides the tools you need to operate your company professionally and legally before your organization grows large enough to hire an entire HR department.
