Good electronic book and valuable one. It is one of the most incredible publication we have read through. It is extremely difficult to leave it before concluding, once you begin to read the book.

William B Eerdmans Publishing Co. Hardback. Book Condition: new. BRAND NEW, When No-one is Watching, Eileen Spinelli, When no one is watching, it's easy to be brave -- to dance and sing, growl and cheer. But when everyone's watching, this book's shy young narrator finds it far easier to hide. With her best friend, Loretta, though, she doesn't feel shy, embarrassed, awkward, or odd -- not one bit. Together they're like two peas in a pod, whether anyone's watching or not. Any readers who have felt shy will certainly recognize themselves within the pages of this adorable book, which will encourage even the most timid of audiences with its celebration of the value of a good friend.
