These are ten minutes play written by Dave Sweeney(Gold) that are highly entertaining and easy to produce. Actors love to take on the text Dave provides. He s an actor himself so all that he writes is with a performance drive in mind creating characters for all of his creations that can be fully realized by actors at all skill levels. These plays are excellent for acting classes and schools and for professional production. They can be easily adapted to video productions. The sets are simple as are the production values but the characters are complex and the stories are intriguing. Read them, see what you think!.
