

Computer Vision and Computer Graphics. Theory and Applications

By Braz, José / Ranchordas, AlpeshKumar

Condition: New. Publisher/Verlag: Springer, Berlin | International Conference VISIGRAPP 2007, Barcelona, Spain, March 8-11, 2007, Revised Selected Papers | This book includes selected papers from VISIGRAPP 2007, the Joint Conference on Computer Vision and Computer Graphics, comprising two component conferences, namely, the International Conference on Computer Vision Theory and Applications (VISAPP) and the International Conference on Computer Graphics Theory and Applications (GRAPP), held in Barcelona, Spain, during March 8-11, 2007. We received quite a high number of paper submissions: 382 in total for both conferences. We had contributions from more than 50 countries in all five continents. This confirms the success and global dimension of these jointly organized conferences. After a rigorous double-blind evaluation method, a total of 78 submissions were accepted as full papers. From those, 18 got selected for inclusion in this book. To ensure the scientific quality of the contributions, these were selected from papers that were evaluated with the highest scores by the VISIGRAPP Program Committee members and then they were extended and revised by the authors. Special thanks go to all contributors and referees, without whom this book would not have been possible. VISIGRAPP 2007 included four invited keynote lectures, presented...
