

## Winnie-The-Pooh in Korean a Translation of A. A. Milne s Winnie-The-Pooh Into Korean (Paperback)

By A A Milne

Ishi Press, 2017. Paperback. Condition: New. Large type / large print edition. Language: Korean . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Winnie-the-Pooh is the most popular children s book in the world. Korean is a language read and spoken by eighty million people worldwide, including North and South Korea combined. Korea is perhaps unique in that there are no minority languages there. Everybody there speaks Korean. This translation of this book into Korean is by ??? Cho Kyung Sook. Korean is a language isolate. This means that there are no known languages related to Korean. Korean has a unique writing system called Hangul. It was invented by King Sejong (1397-1450). Korean Hangul is written with partices that can be combined in different way to form syllables. Korean can be characterized as a syllabic language rather than an alphabetic language. This translation of Winnie-the-Pooh follows the original book closely, but does add the translator s own minor variations. The purpose of this book is to help Korean speakers learn English and to help English speakers learn Korean. To have a translation as close as possible to the original is the most useful. Ishi Press has reprinted translations of Winnie-the-Pooh...
