It becomes an awesome publication that I actually have actually read. It really is written in simple terms and not difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.

HORSEPLAYERS: LIFE AT THE TRACK

Chicago Review Press. Paperback. Book Condition: new. BRAND NEW, Horseplayers: Life at the Track, Ted McClelland, This fun and witty expose of horse racing in America goes behind the scenes at the track, providing a serious gambler's-eye view of the action. Ted McClelland spent a year at tracks and off-track betting facilities in Chicago and across the country, profiling the people who make a career of gambling on horses. This account follows his personal journey of what it means to be a horseplayer as he gambles with his book advance using various betting and handicapping strategies along the way. A colourful cast of characters is introduced, including the intensely disciplined Scott McMannis, "The Professor," a one-time college instructor who now teaches a course in handicapping, and Mary Schoenfeldt, a former nun and gifted handicapper who donates all of her winnings to charity. This moving account of wins, losses, and personal turmoil provides a realistic look at gamblers, gambling, and life at the track.
