By C M Louttit

Forgotten Books, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Clinical Psychology: A Handbook of Children s Behavior Problems The common types of psychological disorder are described and the genesis of these disorders is outlined. The principles underlying the treatment and handling of these patients are discussed, and many actual cases are set forth. The importance of an individual approach to each patient, with all possible information at hand, is emphasized. Particular stress is laid upon the necessity for considering the patient as a whole, with all his family, neighborhood and school background, along with his physical condition. No short cuts are suggested, no new theories are advanced, and no fads are advocated. The Vital importance of common sense in dealing with these troubled people is clearly brought out, and much common sense has entered into the writing of the book.
