CHAPTER III THE MIGRATIONS OF ARISTOTLE AND THE TRANSFORMATIONS OF ARISTOTELIANISM We are now to follow the fates of Aristotle and Aristotelianism, and as we shall remain throughout in much closer contact with Aristotle's actual works than we did or could with Plato's in the last chapter, it will be well to begin with a short survey of the extent and scope of Aristotle's extant works, or what pass as such. The history of his own manuscripts is a romance in itself. They lay for a hundred and fifty years in a damp and wormy cellar in the Troad, and it is impossible to determine from the accounts that have come down to us in what relation they stood when recovered to the manuscripts current in the Aristotelian school at Athens; and it remains uncertain to this day what is the real origin of the text...
