Felony Mayhem, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book. This is the 5th historical mystery in the award-winning Inspector Stratton series. Having started during the Blitz with *Innocent Spy*, we have now arrived at the summer of 1958. Detective Inspector Stratton is investigating the murder of a rent collector in Notting Hill, a part of London seething with racial tensions between Caribbean immigrants and their white working class neighbors. And then a second body makes it pretty clear that race is a key element to these murders. Like the rest of the series, *The Riot* is based on real events and characters, on which it sheds new and revealing light. It is both an involving murder mystery, and a fascinating dive into London life in 1958, full of both details of daily life, and cameos by notorious public figures. If the name Notting Hill brings to mind a certain Hugh Grant movie, you will be very surprised to uncover the story of that neighborhood in its much less fancy days.
