Antimatter Press. Paperback. Condition: New. 222 pages. Dimensions: 9.0in. x 6.0in. x 0.6in. Mike Allen has put together a first class collection of horror and dark fantasy. Unseaming burns bright as hell among its peers. --Laird Barron, author of *The Beautiful Thing That Awaits Us All* Everyone in the world awakens covered in blood-and no one knows where the blood came from. A childhood doll arrives to tear its owners reality limb from limb. A portal to the spirit realm stretches wide on the Appalachian Trail, and something more than human crawls through on eight legs. Words of comfort change to terrifying sounds as a force from outside time speaks through them. The buttons in the bin will unseam your flesh to bare your nastiest secrets. Opening with *The Button Bin*, a finalist for the Nebula Award for Best Short Story, and culminating with its sequel, *The Quiltmaker*, which Bram Stoker Award and Shirley Jackson Award winner Laird Barron has hailed as Mike Allens masterpiece, this debut collection gathers fourteen horror tales that, in the words of Barrons introduction, rival anything committed to paper by the likes of contemporary masters such as Clive Barker, Ramsey Campbell, or Caitln Kiernan. This is raw, visceral, and sometimes bloody stuff. Primal stuff. More praise for Unseaming: Throughout Unseaming, reality is usually in bad shape right from the start-and from there things proceed to go downhill. Such is the general background and trajectory of life in Mike Allens fictional world. More could be said, of course, but theres one thing that I feel especially urged to say: these stories are fun. Not good fun, and certainly not good clean fun. They are too unnerving for those modifiers, too serious, like laughter in the dark-unnerving, serious laughter that leads you through Mr. Allens funhouse. The reality in...
