Excerpt from A Look at the Private Campground User Half the transient campers used a tent for overhead shelter. One-fourth used a travel trailer; one-sixth, a tent trailer; and the remainder, a camper truck, bus, or station wagon. Transient campground owners might also receive a greater return from capital invested in conveniences, such as showers and flush toilets, rather than a variety of outdoor recreation facilities. Transients generally are tired and would like to relax and freshen up after the long day s drive. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
