### **Reviews**

*Without doubt, this is actually the best job by any publisher. It is written in basic phrases instead of difficult to understand. You will like the way the author publishes this publication.*

*(Dr. Marvin Deckow)*

## A SILVER BULLET

Tate Publishing Enterprises, United States, 2015. Paperback. Book Condition: New. 178 x 127 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. If Roe v Wade is knocked upside down, then its opposite central ruling becomes binding constitutional law: the Human Fetus becomes a constitutionally recognized due process clause person. Rafferty s Silver Bullet booklet gives birth (as rendered on the back cover) to Fetal Personhood. What the contents of the booklet accomplish with seemingly irrefutable legal history, constitutional interpretation, and logic, the booklets front and back covers illustrate through graphic art. Knocking down Roe v Wade does no more than returning to the several states of the USA the constitutionally recognized authority either to allow ow outlaw procured abortion, whereas knocking Roe v Wade upside down, constitutionally constitutionally compels every such state to 1) outlaw procured abortion, and 2) employ all reasonably available governmental means for safeguarding the Child-Person living in the womb of his or her mother. Lawyer and author, Ken R. Hughey.
