## ALL MEN ARE SLUTS

CreateSpace Independent Publishing Platform. Paperback. Condition: New. This item is printed on demand. 104 pages. Dimensions: 11.0in. x 8.5in. x 0.2in. This book is written with women in mind, but if any of you fellows out there can be honest with yourselves for a few hours, you might benefit from reading it as well, because somewhere on these pages you will likely find a description of yourself. You will find facts as well as humor, irony, vulgarity and just a little bit of exaggeration, but always honesty. If you ladies dont find your boyfriend or husband in this book, please, send me the name of this saint he is a rare creature. The first person to be called a slut was a dirty and disheveled clod (man) described by Chaucer around 1386. It didnt take long for British culture to turn it around and by 1450 the word slut was used solely to characterize a woman of loose morals, although some cool metrosexuals have recently taken back the word and now proudly identify themselves as sluts just because they have sex with whomever they please. But heres the deal, peoplelm going with Chaucer, the originator of the word, at least in print. Besides, all of the adjectives that go before slut like filthy, adulterous, sloppy, coarse, and obnoxious apply a lot more to men than women. Sorry guys; as I say over and over in these pages, women learned how to be sluts from us guys. Men are the real sluts. This item ships from La Vergne, TN. Paperback.
